Eric Nelson took a Willow Glen landmark (Saratoga Plumbing and Supply) and turned it into an upscale kitchen and bath showroom. **SplashWorks** carries all the leading brand names along with exclusive product lines ranging from period reproductions to the ultra contemporary. Best of all, the showroom is staffed with an experienced team—experts who know the intricacies of designing and installing new kitchens and baths and remodeling old ones. Take a trip to SplashWorks and find the products and personnel to deliver your dreams.
